THE 60-DAY PROGRAM

THE REVOLUTIONARY AND WORLD'S FIRST 60-DAY IN-HOME GOLF TRAINING PROGRAM

The 60-Day Program offers one of the most extensive educational curriculum ever introduced to the game of golf. The magic of the complete mind, body and swing learning and training curriculum is in its delivery. Students of all ages, body types and ability levels move through and equally benefit from a strategically built and structured path of learning, much like one would experience while learning and mastering any martial art.

The path of learning is one that students can rely on and come to revere. Because of this, dramatic change and improvement becomes possible. Proven accurate beyond all doubt, the program's training practices and principles are validated by the greatest golfers and athletes of all time and are completely sound from a martial art perspective.

Through the program, it is our highest intention that all golfers begin to gain a profound new sense of their own authentic greatness and come to stand and move with strength on and off the golf course. Moving beyond all doubt, students come to quiet their mind as they answer several questions of how the body and club effectively move through all golf motions.

This program is the culmination of 30 years of learning and 5 years of testing on golfers of all ages and ability levels. It is available across all platforms (computer, smartphone, tablet, optional DVD add-on pack), it is truly a learning and training experience unlike anything ever seen before in the game of golf.

UNPRECEDENTED SUPPORT

"BRYAN'S DEEP UNDERSTANDING OF NATURAL BODY MOVEMENTS, THROUGH THE EYES OF THE SAMURAI MADE IT 'REAL' TO ME. I HAVE SEEN EVERY FORM OF GOLF INSTRUCTION AND THIS IS NOT ONLY REVOLUTIONARY BUT REFRESHING."

- GARY MCCORD, CBS SPORTS GOLF COMMENTATOR

UNPAID SPOKESPERSON - GARY MCCORD

Gary McCord's knowledge of movement and experience with almost all of the game's top instructors has allowed him to develop significant credibility among his peers. In addition to this credibility he has developed through his years on tour and commentating at the highest level for CBS Sports, Gary also brings an entertaining recognizable voice to the Tathata Golf brand. Gary also has close ties to several major golf publications including Golf Digest and Golf Magazines. Having trained on site since 2010, Gary McCord has been patiently waiting for over 5 years to introduce Tathata Golf to the world as we have strategically developed multiple revenue streams.

“I’M NOT HERE TO GET PAID, I’M NOT HERE FOR MONEY, I’M HERE FOR ONE THING AND ONE THING ONLY. I BELIEVE IN WHAT HE TEACHES, I BELIEVE IN IT... WHAT TATHATA IS DOING IS CORRECTING GOLF INSTRUCTION.”

- BRANDEL CHAMBLEE, GOLF CHANNEL ANALYST

UNPAID SPOKESPERSON - BRANDEL CHAMBLEE

Brandel Chamblee, a Golf Channel lead analyst, is our second unpaid spokesperson. Having trained on property multiple times and asking to receive no money because in his words Tathata is “helping to correct golf instruction,” Brandel Chamblee adds a second very credible on-air voice behind the brand.

Brandel Chamblee and Gary McCord are currently two of the most well-respected and credible voices in the game. In addition to their unwavering support through the years, their connections and credibility amongst their peers on the CBS Sports broadcast team and Golf Channel / Golf Central bring all sorts of potential opportunities once we have launched.

**Because they are unpaid they are allowed mention Tathata Golf on air.*
